Cancellation Policies: A full refund (except for amounts paid for Protection Plans) will be credited to your charge card for cancellations made at least 76 days before the date on which you are to commence travel (by air, rail, sea or otherwise). Passengers who cancel after 76 days for any reason, including medical or family reasons, are subject to the following per-person cancellation fees: 75-46 days before commencing travel: an amount equal to deposit requirement; 45-16 days before commencing travel: 50% of gross fare; 15 days or less before commencing travel: 100% of gross fare. Given that the resale of cancelled space will likely result in a lost opportunity to sell other space, these fees are due regardless of resale. Fees incurred as a result of cancellation cannot be applied to future bookings. Name changes require the prior approval from the cruise line and may not always be possible. Name changes and departure date changes are considered reservation cancellations and are subject to cancellation fees. Cruise and Cruise/Tour Contracts are nontransferable.

We highly recommend purchasing one of Holland America's Cancellation Protection Plans: CPP Standard Plan or CPP Platinum Plan. Visit <http://hollandamerica.com/> and click on 'For Booked Guests' / 'Planning and Advice' for information on Holland America's Protection Plans.

We strongly recommend the purchase of a travel protection plan.
